

Board of Directors Minutes - Q1 2026

Board meeting held on January 22, 2026. All board members present.

CEO presented the Q1 strategic goals, highlighting M&A targets in the AI space.

The acquisition of TechStartup Corp for \$45M was discussed and approved in principle.

Finance committee recommended keeping current interest rate hedges in place.

Next board meeting scheduled for April 15, 2026 to review Q1 performance numbers.
